

Celebrating 150 Years since the consecration of St. Peter's Church

Sunday 21st February is the 150th anniversary of the consecration of St Peter's. Come along and celebrate this special milestone at a Zoom Afternoon Tea from 3.30 – 5.00pm on 21st.

Make a cake - you could even make a model church, or decorate it with something that reminds you of St Peters. If you have photos or memorabilia of events at the church bring those along as well to share with your friends from St Peters. Just e mail David Nichol, davidnichol1958@gmail.com by Friday 19th February and he will send you a Zoom invitation to join the event.
