Dear Friends - We have been overwhelmed by the kindnesses you have shown us over the last month or so since I went into hospital. We have received cards and messages, phone calls and visits and practical assistance in the form of lifts, cakes, meals, and even putting our bin out. Leo too has benefited from some unexpected walks.

It has been amazing and humbling to be the beneficiaries of all this love and we give you our thanks. We truly look forward to being back with you to worship the lord who said "By this everyone will know that you are my disciples, if you love one another". John 13:35
