On-line Prayers

For many years the church has had this facility. It is often difficult to meet on a regular basis to be intercessors for people or situations who are desperately in need of prayer. The On-Line Prayer Group was set up in response for this need. Email or verbal requests are given to Corrinne who tries, as quickly as she can, to pass on this appeal for help to the pray-ers. It is NOT a gossip page or a newsletter. Confidentiality is demanded at all times.

If you would like to a member of this group of pray-ers please contact Corrinne at:

If at any time you would like prayer please use the above e-mail address also
