Will you please put your names on the list at the back of church if you hope to come to this service. This is to give the organising team an idea of numbers for catering purposes. If you would like to help please tell the office, Pauline or Joy what sort of cake you are willing to make for the afternoon tea following the service. It is stressed this is an open service and everyone from both parishes are invited to this joyous occasion.

This will be the only service on Sunday 22 September

THANK YOU! THANK YOU! THANK YOU! THANK YOU! THANKS

A very big "thank you" to everyone who helped in any way at the Seniors' Club Bring and Buy on Wednesday.

We had a wonderful response to our request for donations of items for the stalls which superseded every year previously. Thank you so much for your kindness. The crowd of buyers was amazing, almost jostling with their elbows to see the stalls! There was a lovely atmosphere and very noisy too! Great!!

I would like to thank very much, the team of helpers, without whom we could not have carried out our biggest fund-raiser of the year. It is important that we can raise enough funds to enable us to provide our members with the enjoyment they deserve throughout the year. Judi led her team in the kitchen with lovely tea loaf and coffee, with Kyrle and Brian, as always, setting up the Centre and storing everything in their garage for many weeks.

We raised the magnificent sum of £455, so once again, very many thanks. Jean L-M

Mission focus praying this week for >>>> The commissioned Evangelists who work for Church Army as they commit to building community and sharing the Christian faith through words and action, so that, ultimately more people will be brought into a living faith in Jesus Christ. They also ask us to give thanks to God for all of the lives changed and for all the individuals who have met Jesus through the work and ministry of Church Army

Please pray for >>>

Canon David Nichol and his wife Lynn. Pray for their future ministry within St Peter's and St Andrew's. Please also pray that they will settle happily and quickly into the community.

The situation in the Amazon Basin, that political sense will prevail and that the devastating fires can be put out. Pray for the recognition that it, like so many other natural resources, is of global significance and not just for the benefit of those who live there or have access to exploit it.

The political situation in the UK.

And in the diocese>>> Pray for visitors to the churches in National Heritage week that they will experience more than just what the buildings have to display but will be given a warm Christian welcome.
