

Black Country Foodbank

The foodbank continues to be under great pressure - inundated with requests - yet not receiving the usual donations.

The foodbank is accepting donations of food or money - please see their website for details of how best to give -

www.blackcountryfoodbank.org.uk

Each Tuesday afternoon and Friday morning we deliver donations to the foodbank.

Any food or non-food donations can be left in church or at the church centre or the Rectory porch.
